

1. Title & Heading

- Set the title of the page to "My Favorite Travel Destination".
- Use <h1> for the main heading with the destination name - Kandy, Sri Lanka

2. Paragraphs & Text Formatting

- Add a short paragraph describing the place using:
 - **Bold** to highlight important words.
 - *Italic* for emphasis.
 - Underline or any other formatting you taught.

3. Image

- Insert an image of the destination using the tag.
- Use an online image URL or a local image if allowed.

4. Hyperlink

- Add a hyperlink to a tourism website or a Google Map location using <a>.

5. Lists

- Use an **unordered list** to list attractions or things to do.
- Use an **ordered list** to list steps to reach the destination or travel tips.

6. Extra (Optional)

- Add a horizontal line <hr> between sections.
- Add a line break
 where necessary.

 **File Name:**
